Kyzer's High School Preseason Camp

Kyzer's Soccer Centre is for serious players at the high school age level. Enrollment is based on a first come, first served basis. It is our objective to prepare you for the upcoming high school season. It is to your advantage to be physically fit, as well as technically and tactically prepared before your season begins. Each team will have its own college head coach during the technical/tactical sessions and matches. Put yourself in front of college coaches early!

Classroom Sessions

Each player will receive a notebook and handouts during classroom sessions. There will be lectures on the "College Process," classes on "How to be Recruited" and "The differences of College Choices," as well as team and individual concepts.

Many of our team camp participants have received scholarship offers based on relationships generated through our camp.

Our best compliment is that multiple teams come back year after year!"
