

About Kyzer's Soccer Centre

The purpose of our training centre is to provide the best possible soccer camp and coaching staff at a reasonable price. All Kyzer Soccer Centre campers will receive maximum individual attention in a fun, challenging environment. We strive to incorporate sportsmanship, creativity, taking the training home, and pure enjoyment of the game.

A 1:10 staff/camper ratio enables our professional staff to provide individual attention and evaluation of each camper's skill level. Campers will be grouped according to age and skill level so that maximum improvement may be achieved. Each camper will receive a written evaluation of his or her technical and tactical skill, as well as areas needing improvement.
